President's Message

Celebrating 31 years of business excellence

The Northern Ontario Business Awards (NOBA) program is a celebration of competency and community. Each fall, for the past 30 years, we have gathered to honour those amongst us who have demonstrated determination, leadership and creativity. We marvel at their risk-taking abilities and celebrate their successes. These are the

leaders who create the opportunities, strengthen our Northern communities, and allow us to enjoy living and working here.

Since 1986, more than 270 companies and individuals have been honoured at the Northern Ontario Business Awards for their commitment to business excellence and economic

development. Visit www.noba.ca to view our honour roll of NOBA alumni. Promoting young entrepreneurship is also a key part of the NOBA mandate.

NOBA's success is largely due to the incredible enthusiasm of the Northern business community. Each year, a vital spirit fills the room when friends and colleagues from throughout this vast region gather. Behind the scenes, the staff, volunteers, sponsors, judges, and those submitting nominations, work around the clock to prepare for the big day. In 2017, join us in Timmins to share the magic!

Why Nominate?

In a fiercely competitive marketplace, it is important to focus on ways to set your business apart from the rest. Winning an award can benefit your company's internal and external operations in the following ways:

- Being recognized by your peers from all over Northern Ontario positions your company as a leader to current and potential customers, as well as to your own employees.
- This is a high-profile event, which typically generates wide-spread media coverage. This could increase sales by establishing third-party endorsement of your products and services.
- Winners of these prestigious awards are honoured at an elegant evening awards gala, on television, and in a souvenir magazine distributed with the October issue of Northern Ontario Business.
- This is a great morale booster for employees, providing an opportunity for their efforts to be publicly recognized.
- Preparing the nomination provides an occasion to take stock of your goals and objectives, and a measure to evaluate your progress.

Selection Process

- An independent panel of judges, which changes each year to represent the various areas of the North, adjudicates the Northern Ontario Business Awards. The panel of judges will be solely responsible for the review, evaluation, and selection of award winners. The Judges and Staff of NOBA sign a non-disclosure agreement to ensure confidentiality of your company business plan information. The decision of the judges is final.
- Winners of these prestigious awards will be honoured at an awards gala and will be featured in a video presentation aired regionally on television.
- All entries will remain the property of the Northern Ontario Business Awards Program.
- Award winners will be profiled in the souvenir magazine.

Eligibility Criteria

All nominees must have a fixed physical presence in Northern Ontario (three-year minimum). Consideration will be given to innovation nominees who have developed a new product or emerging technology more recently.
